February 2018

Dear Counselor,

The Cinderella Project is a program created to equip and empower students who are struggling financially to celebrate the milestone achievement of graduation. The project partners with local businesses and organizations to provide hair, make up, professional photography, flowers and more. Dresses and suits are gently used and given by donation. The program runs February to June by appointment. If you know of some students that need the help you can register online, please visit <https://myvictory.ca/mycitycare/> or contact Carol at 403-942-1378 or by email through [carol@myvictory.ca](mailto:carol@myvictory.ca). We would love to help them out.

Best regards,

Erin Wind
