Rebel Rouser Day

August 28, 2019

9:00 a.m. - 11:30 pm

Being part of a school community is an essential aspect of all high school experiences. At Myers, we believe the overall well-being and sense of community within our school is a fundamental principle. During ***Rebel Rouser Day*** we hope to provide a positive experience for new students and develop Rebel Pride.

All new students are invited to participate in a fun activity morning where they will have an opportunity to get to know new people, learn “insider” information about the school such as the vicinity of lockers and classrooms, introductions to staff, and opportunities that they can be involved throughout the school year. We will complete our session with a question period and a pizza lunch.

Please register your student via email to dale.friesen@horizon.ab.ca by August 19, 2019. Include student’s name, emergency phone number, and Alberta Health Care number.

Please bring your class schedule to the event!

We look forward to seeing you there!
