Proudly presented by the YWCA Lethbridge Young Women's Leadership Council

Attire to Inspire is an annual event that ensures all young women and non-binary youth are able to participate in their graduation ceremonies by offering **free**, gently used grad attire.

On event day, Attire to Inspire participants select a dress or alternative grad attire from our collection. Then, they are treated to free makeup services, hair styling and a professional photograph to commemorate the occasion.

The event is open to girls and non-binary youth graduating from grade 12 and those in grade 11 who will graduate the following year.

Saturday Feb 8th Noon - 4pm
