

# VIRTUAL POST SECONDARY FAIR

# ELAA

Educational Liaison Association Of Alberta

We are excited to invite you to a virtual Educational Liaison Association of Alberta (ELAA) post-secondary fair on October 8, from 6-8pm.

ELAA events are a fantastic opportunity for you to ask questions to 28 Alberta post-secondary institutions including Colleges, Universities, Technical Institutions, the RCMP, and Canadian Forces. In this virtual booth fair you can inquire about programs, admission requirements, scholarships, housing, and much more! Nowhere else do you get all these institutions in one place so be sure to take full advantage of this opportunity to plan for your future.

To register for this event please visit <https://elaa.6connex.com/event/alberta/student/login> and register in the top right corner. You must be registered in order to join and can register in advance of the actual event. Once you are registered you can connect on the day of the event by logging in from the same link.

Once logged in you can visit the exhibitor hall by selecting "Exhibit Hall" in the middle of the screen or by selecting the icon at the bottom of your screen.

From here, you will see the exhibit hall where you can select different institutions to explore and learn more about. Be sure to visit each booth and see if they have programs and experiences that might be right for you!

In each booth you will be able to ask questions via the chatroom and recruiters can connect with you one on one if needed. There are materials such as viewbooks that you can collect in your briefcase by selecting the orange briefcase icon. Be sure to download items in your briefcase before the event is over so you have access to it after the event!

Click each item in your briefcase you want to download and then click the download selected in the bottom right corner to download a zip file. Ask for help in the lobby at the help desk if you are having trouble with anything!

We highly recommend that you check out each institution's virtual booth to see if they have programs that might be a good fit for you. You should also understand the admission requirements, application deadlines, and costs. Don't forget to look into their info on athletics, extra-curricular, scholarships, housing, and all the other exciting opportunities that await you in your post-secondary journey!

Good luck! If you have any questions, please contact either:
