Dear Parent/Guardians of Graduating Students,

We hope this letter finds everyone healthy and well! We wanted to share with you some information regarding Grad 2021 and felt that an email would be the most efficient and appropriate means to communicate with everyone, at this point in time.

Depending on Alberta Health Service regulations regarding group gatherings next Spring, we have created **3 Scenarios** for our Grad 2021 Celebration. Please [Click Here](#) to view each scenario.

In order to help cover the costs associated with Grad 2021, we will be running our Orange/Grapefruit Fundraiser once again! Due to the fact that we do not know what Scenario we will be able to go with until the Spring, we are going to plan as if Scenario #1 will be a go! That being said, we are asking all Graduates to please sell as many boxes of oranges and grapefruits as possible! **The goal is for each Graduate to sell 35 Full Boxes in order to eliminate additional Grad fees!**

Please [Click Here](#) to access the **Orange/Grapefruit Fundraiser Information and Forms**. The fundraiser will begin immediately, with all forms and funds handed into the office by **Wednesday December 2**.

We are in need of a Parent Volunteer (or two!) who is willing to organize the distribution of the fruit boxes on the pick-up day. Please let the school know if you are able to help out, thanks!

Again, this email is for informational purposes only and to announce the beginning of our Grad 2021 Fundraiser! We will wait and see what the regulations are in the Spring and make a decision at the time. If you have any questions or concerns, please contact Ken Pon, Greg Bowes, Lori Pickerell and/or Lisa Astalos, at your convenience!

Take Care,
Myers Admin Team
