

Daily Screening

answer the 3 questions in the "yellow boxes"

(1) Have you been potentially exposed?

Have you travelled outside of Canada in the last 14 days?

Have you had close contact (face to face contact within 2 metres for 15 minutes or longer, or direct physical contact) with a confirmed case of COVID-19 in the last 14 days?

YES

NO

You are legally required to self Isolate for **at least 14 days** from the last day of exposure unless enrolled in the Alberta COVID-19 international borderer pilot project.

Do NOT have to stay home (can come to school/work), unless you answer yes to "(2) Do you have core symptoms?" or (3) Do you have other symptoms

(2) Do you have CORE symptoms?

Do you have these "COVID" symptoms?

- Fever (38°C or higher)
- Cough (Continuous, more than usual, not related to other known causes or conditions)
- Shortness of breath (continuous, out of breath, unable to breathe deeply, not related to other known causes or conditions)
- Loss of sense of smell or taste (not related to other known causes or conditions)

YES

NO

You are legally required to self Isolate for **at least 10 days** from the start of symptoms – Note a negative test can shorten the required self isolation period

(3) Do you have other symptoms?

Do you have these symptoms?

- Chills (without fever)
- Soar throat/Painful swallowing
- Runny nose
- Feeling unwell/fatigue
- Nausea, vomiting, or diarrhea
- Unexplained loss of appetite
- Muscle/joint aches
- Headache
- Conjunctivitis, commonly known as pink eye

NO

YES

Do NOT have to stay home (can come to school)

stay home for 24hrs.

If symptoms do not improve or worsen after 24hrs or new symptoms appear, stay home, call 811 or take online assessment to see if testing recommended. Can return once symptoms go away or it has been 24hrs since symptoms started.

If symptoms improve after 24hrs can return to school when well enough to go (No COVID test required)
