

W.R. Myers Academic Awards Night 2020

W.R. Myers Academic Awards Night would not be possible without the many generous contributions from our local Taber businesses and families.

Our community has donated \$16,885 this year!

Unfortunately, we cannot celebrate the academic successes of our students with our annual evening event. So, we would like to take this opportunity to thank all of our sponsors as well as the amazing academic accomplishments of our Myers students.
