Volunteering is a great way to participate in an activity you care about, build new skills and enhance the skills you already have. Volunteer experience looks great on a resume and it can also mean the difference between you winning a scholarship or getting beat out by another candidate.

**2+2 in 4: College Diploma AND University Degree in Four Years**

Did you know that many college diplomas transfer as two full year's credit towards university degrees? Yes, students can experience the best of both post-secondary systems – college and university. Lethbridge College programs eligible for this include Business Administration, Computer Information Technology, Agricultural Enterprise Management, and others.

PLANNING FOR POST-SECONDARY CHECKLIST

April

☐ You may start getting conditional offers of admission and financial aid in April. Continue to make long-range plans with your family about how you're going to pay for post-secondary education and where you're going to live.

☐ Create a folder and put all your post-secondary materials (applications, transcripts, student funding information, etc.) in it for safe keeping.
