

## Purpose of dual credit courses

Get a head start on your post-secondary journey by enrolling in Lethbridge College's Dual Credit courses. Designed for grades 11 and 12, you'll be able to earn credit at both your high school and at Lethbridge College while exploring our initiative programs and exciting career possibilities. Whether you choose to continue your studies or head into the workforce after your high school graduation, these courses will help you be ready for an easier transition to whatever happens next. **All students are required to have completed English 10-1 with a minimum average of 70%.**

## 2021 - 2022 Dual Credit Courses offered:

- Agriculture Finance
- Introduction to Psychology
- Marketing Fundamentals for Media
- Physical Geology
- Principles of Animation
