From the University/Career Transitions,

Since the province announced enhanced public safety measures on September 24, 2021, the University of Lethbridge has had to adjust their operations to align to these new enhanced public safety measures.

Effective November 1, 2021, the University of Lethbridge requires all visitors aged 12 and over to provide government-issued proof of full COVID immunization (double dose with second dose administered prior to November 24). Negative test results and/or medical exemption letters do not meet the requirements identified by the University of Lethbridge.

Additionally, measures such as mandatory masking in all indoor spaces and encouraged social distancing are still in effect.

We are asking that you complete the permission form indicating that your child is able to attend the Cardboard Boat Races with these additional measures in place as set forth by the University of Lethbridge.

Acknowledgement on permission form:

We have read the above letter. We understand that by signing this permission form that we acknowledge that our child can provide proof of vaccination to the University of Lethbridge as outlined in the letter and that they are allowed to participate in the activity described above, we are assuming the risks associated with doing so.

Due to protocols unique to this year parents/drivers will not be permitted to watch the races, each team is permitted only one supervisor.
