Planning for Post-Secondary Grade 12 Checklist

February

- Check your calendar for any upcoming application deadlines in March.
- Watch announcements, bulletin boards and newspapers carefully for scholarships. Local organizations and individuals sometimes award scholarships to students graduating from their local high school.

<https://alis.alberta.ca/explore-education-and-training/plan-your-education/planning-for-post-secondary-grade-12-checklist/>

Volunteering is a great way to participate in an activity you care about, build new skills and enhance the skills you already have. Volunteer experience looks great on a resume and it can also mean the difference between you winning a scholarship or getting beat out by another candidate.

John Hasselfield Endowment Fund

Deadline: March 1, 2022

Scholarships Available for:

- Education
- Athletics
- The Arts

More information and application form available at:

POWER LINE TECHNICIAN INTERNSHIP OPPORTUNITY IN TABER AREA

Student Apprentice Power Line Technician

Job Specification:

In partnership with CAREERS: The Next Generation, FortisAlberta is seeking summer students who have successfully completed Grade 10 or 11 to enter the Registered Apprenticeship Program (RAP) in the Power Line Technician trade for summer employment.

Job Duties:

- Assist Qualified Utility Employee with construction, repairs and maintenance of overhead and underground distribution systems
- Receive work order instructions
- Understand and follow company and regulatory safety regulations and procedures and work to a high level of safety
- Accountable for safe work practices applicable to the job
- Contribute towards building a strong team
- Provide service at a level that insures FortisAlberta is the customers operator of choice

Special Skill Requirements:

- Demonstrate communication (verbal and written), interpersonal and team skills
- Self starter with the ability to work in a team environment
- Willing and able to learn, adapt to change and demonstrate flexibility
- Capable of working outside in a highly physical environment in any weather conditions
- Required to have a minimum valid class 5 drivers license (successful candidate will be required to submit a current copy of their drivers license and a drivers abstract)

Knowledge and Experience Requirements:

- Successfully completed the grade they were attending (Grade 10 or 11)
- Definite interest in the electrical trade expressed and demonstrated
- Experience in the electrical technical field or related field construction considered an asset

Special Conditions:

- Must be willing to learn the basic skills of climbing wooden poles
- Could be required to travel and work away from home if work load dictates
- Must provide proof of full COVID-19 vaccination

Please note that this is intended as a summer position.

Applications will be considered in areas of highest need and on a first come first reviewed basis.

*Get your application in early – including your **CAREERS RAP Application Form** with Resume & Cover Letter.*

Interviews will be done for summer RAP positions throughout May

Deadline for application, the first Friday in May.

Apply through your schools RAP coordinator who should then contact the local CAREERS Program Coordinator.
