COMMENTARY ON OUR RESULTS

A priority that we have is to build stronger connections between our students and staff with our larger school community.

- *COVID protocols were necessary to ensure the health and safety of the people within our building, but also created barriers related to parent interactions and involvement.*
 - *We are proud that our parental involvement was measured at 82.1% (73.7% the year prior), but we recognize that we still have more to do to get all of our families actively involved.*
