

REBEL ROUSER

OCT 2024 Edition

Principal's Report – Adam Hughes

Hello W.R. Myers Families,

October was a fantastic month for our school community, with so many highlights to celebrate and exciting things to look forward to!

Our varsity volleyball teams are showing great skill as they compete in league playoffs, and we're thrilled to share that our football team has qualified for provincials! We're proud of these student-athletes and grateful to their coaches and supporters.

A huge thank you to Arica Jensen, who has been so generous with her time, capturing all of these memorable moments. Arica's work on our yearbook, team, and grad photos is invaluable, and we're lucky to have her dedication.

With the school year in full swing, grad planning is already underway. If you're interested in helping out, please reach out to Nicole Cooney (nicole.cooney@horizon.ab.ca). It's a special milestone, and we welcome all the support!

We also held our Fall Parent-Teacher Interviews recently. For those who weren't able to attend or need further communication, please don't hesitate to reach out to your child's teachers. We're here to support every student's success.

Looking ahead, our second School Council Meeting of the year will take place on Wednesday, November 13 at 7 pm. We'd love to see more parents join us to share thoughts, ideas, and feedback.

An exciting development for W.R. Myers is on the horizon: the modernization of our school has been officially announced! Construction is set to begin in June, and we're thrilled for the updates and improvements to our school environment.

As we near the end of our first reporting period on November 5, marks and comments can be viewed on the Powerschool parent portal. If you do not have a parent powerschool account, please call the office on 403-223-2292 and we will set one up for you. Report cards will be mailed home at the end of Semester 1 in January & Semester 2 in June.

Thank you all for being a part of the W.R. Myers community. Let's make November another great month!

Warm regards,
Adam Hughes

Academic Awards Night

W.R Myers High School is proud to announce

The Beverley Emek Endowment Fund

Sponsored by the Mel and Raeghn Torrie family, the Beverley Emek Endowment Fund has been established to honour the many years of dedicated service and lasting impact that Beverley Emek made in the lives of her students during her career with Horizon School Division. Known for her exceptional ability to inspire and uplift students, Bev empowered those who felt academic success was beyond their reach, helping them realize their full potential.

The Beverley Emek Scholarship will be awarded annually to a graduating student, or students of W.R. Myers High School, who have demonstrated resilience in overcoming societal, personal, or academic challenges and who are pursuing higher education at the post-secondary level. This award celebrates the spirit of perseverance and the drive to achieve despite obstacles, embodying the values that Bev instilled in her students throughout her teaching career.

The recipients of the Beverley Emek Scholarship will embody Beverley's legacy of determination, resilience, and the belief that success is achievable for all.

This award will be open for application annually, and the recipient(s) will be selected by a committee including Mrs. Emek, alongside members of the W.R. Myers administration and staff. Through this application process, students will be asked to demonstrate how this scholarship will make a meaningful difference in helping them work toward their educational goals. The scholarship funds are to be used towards tuition at a post-secondary institution, supporting students as they pursue their future endeavours."

Mel and Raeghn have donated an incredibly generous amount of \$137 000 to establish this Fund. The Fund will be invested and its interest will be awarded each year to the successful recipients. On top of the generous initial donation we are pleased to announce that we will be holding a matching campaign. For all those who Bev Emek or other dedicated educators inspired, we invite you to contribute to this Fund so that more future students can benefit from the financial support to further their education. All money donated but the sponsors of this Fund will match other individuals in this matching campaign.

The Campaign will begin immediately and run until December 15, 2024. Please follow the link below or use the QR code to pledge. Once the Fund is able to accept donations, we will reach out to you with instructions on how to donate.

The first recipient of this award is Vickie Dueck and she was awarded \$13,600.

Academic Awards Night cont.

The WR Myers Academic Awards Night is a celebration of the many academic accomplishments that Myer's students have made over the past school year. The cash awards given out would not be possible without the generous donations of our local families, organizations and businesses. The total amount that has been donated this year is just over \$27,000!!!

Attached to the certificates was a blank "Thank You Card", and addressed envelope. Students... please, please, please take a few moments to fill it in and mail this card to your award sponsor. We know how much they would appreciate it. Everyone loves getting happy mail!

Athletic Director

Athletics at Myers has been buzzing this fall!!

Our cross country team wrapped up their season by first competing at zones!! It was quite a successful day, with our athletes competing hard and placing strong. We had 3 Rebel Athletes make the trip up to Grande Prairie for Cross Country Provincials. Conditions were tough for provincials, cold, wet and muddy: perfect for a trail run!!

Lily Dunlop placed 95th, averaging a 5:53km in the Intermediate Girls 5km. Karsyn Davis finished 81st, averaging a 4:26km in the Intermediate Boys 5km. While Kade Haslam finished 16th, averaging a blistering 3:23km in the Junior Boys 4km.

Big congratulations also goes out to our Football team. Our football team currently sits at 7-1 on the year, and are ranked #2 in the province for 3A schools. The boys have a big playoff game versus Willow Creek this Friday at Ken Mac Park at 7pm. Come on out and cheer them on!

There are also been alot of big blocks and swings on the volleyball courts this fall. All five of our teams have been competing in league and tournament play. Our grade 9 girls have won two tournaments this year and finished 2nd in league play. They are off to Irvine to compete at Zones this weekend. Our SV girls have played strong in every tournament they have competed in this year, with a 2nd place finish at the Double Blue tournament at St. Mary's. The girls finished first in league play and are starting playoffs this week. The JV girls have had just as strong a season. They wrapped up league play undefeated and have league playoffs this weekend at Prairie Winds. Our boys teams may not have had as many wins this season as the girls, but are hoping they are peaking at the right time. Our SV boys placed 4th in league play and start their playoffs this week. Our JV boys are also in league playoffs, travelling to Prairie Winds this weekend.

TMS (Now HCP) UPDATE

Fall is an exciting season in the HCP program! Earlier this month, we celebrated the harvest with our annual Fall Supper and welcomed back students and families who have been busy working in the fields. We also enjoyed meeting many families at our parent-teacher interviews on October 29th and 30th. If you couldn't attend but would still like to discuss your child's progress, please call the school to arrange a meeting with their teachers.

Just a quick reminder: if your child will be absent due to illness, family matters, or appointments, please call the school to let us know. Additionally, if your family plans to travel south this fall or winter, please inform us a couple of weeks in advance so we can make arrangements to support your child's learning.

In late September, our phys-ed students took part in the annual Waterton Hike—a fantastic chance to enjoy exercise and the beauty of God's creation. Additionally, there are many valuable opportunities for students to explore trades and various careers. Please encourage your child to check their email regularly for updates.

Finally, we are organizing unique experiences for Grades 8 and 9 to explore careers in Agriculture, Trades, and Transportation. Stay tuned for more news on these exciting opportunities!
