COMMENTARY ON OUR RESULTS

W.R. Myers High School's Alberta Education Assurance Measure (AEAM) results highlight strengths in high school completion rates. To address challenges in citizenship development, safe and caring learning environments, and access to supports and services, we will implement targeted strategies, enhance School Council engagement, foster respectful interactions, and improve resource accessibility to support all students effectively.

We continue to optimize schedules, evaluate bell times, and reallocate human resources to better align with student needs and support diverse learning styles. These changes aim to enhance engagement, well-being, and overall learning outcomes.
