

REBEL ROUSER

June 2025 Edition

Principal's Report – Adam Hughes

As we wrap up the 2024–2025 school year, I want to thank our students, staff, and families for making this one count. It's been a year full of change, growth, and plenty of learning, in and out of the classroom.

Modernization Update

We've officially started our long-awaited modernization. Phase 1 kicked off in the Foods hallway, and Phase 2 will tackle the Band Room, Library, and some key classrooms starting in November. The layout of the school will feel different for a while, with some areas off-limits. We're working through the logistics and appreciate everyone's flexibility as we go.

Student Life & Behavior

We've kept a steady focus on student accountability – tackling issues like AI misuse, attendance, and cell phone habits. We continue to support students who need it while holding the line on expectations.

Highlights & New Stuff

A few things we're proud of:

Brought back the Christmas Pancake Breakfast to boost school spirit

Wonderful Band concerts and our trip to Regina

Countless wins and achievements by our athletes in the gym and on the field

Launched the Bev Emek Scholarship with community support

Our Student Council spirit weeks, dance, movie nights and fan appreciation nights

Expanded work experience and off campus learning opportunities for our students

Looking Ahead

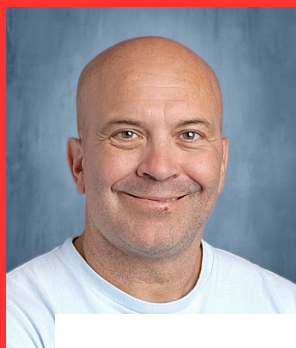

Next year will bring more construction and more change, but also more chances to get better.

We'll keep you in the loop and do our best to make the building chaos feel manageable.

To our grads: congrats – we're proud of you. To everyone else: enjoy the summer, recharge, and we'll see you in the fall, ready to roll.

Take care,

Adam Hughes

Athletic Director

**Here are all the award winners from our recent Athletic Awards night.
Congrats to everyone!!**

HCP UPDATE

As we reach the end of another school year in the HCP program, we want to extend a heartfelt thank you to all of our families for trusting us with your children. It has been a wonderful year, full of opportunities for students to learn, grow in their faith, and build strong friendships with their peers. We always aim to end the year with great experiences, and this year was no exception. Grade 6–8 students enjoyed their year-end field trip to Medicine Hat, Grade 9 students spent a fun day at Calaway Park, and Grades 9–12 students took part in our annual high school camping trip to Cypress Hills Provincial Park, where they practiced canoeing and outdoor survival skills. Alongside these memorable events, our high school students worked hard to finish their final exams, ending the year on a high note.

The end of the school year also means saying goodbye to some staff members and welcoming new faces. We were blessed to have Harkirat Singh teaching our junior high students this year and wish her all the best as she moves on to new opportunities. We also want to thank Lina Krahn and Chelsea Zelinski, who have been essential in supporting student learning in Grades 6–8.

Finally, we say a very special farewell to Lana Hansen, who is retiring at the end of this year. Lana is the longest-serving member of our program and has made an immeasurable impact on our students, families, and staff. We are excited for her as she moves into the next chapter of her life, with more time to spend with family and enjoy God's creations.

Looking ahead, we are excited to welcome two new teachers to the HCP program next year: Logan Heggie will join the junior high team, teaching social studies, physical education, and various option classes. Logan is 37, married to his wife Richelle, and dad to two awesome kids, Addison and Matthew. Outside of school, you'll likely find Logan hiking, fishing, hunting, or playing sports with Matthew—or on the court with his pick-up basketball team.

Carson Rafuse will be teaching in place of Breanne Furlanich, who will be away for the year caring for her newborn. Carson is excited to begin his first year of teaching at HCP. He graduated last spring from the University of Lethbridge with a degree in Education and Drama. Outside of the classroom, Carson enjoys working on plays, spending time outdoors, and playing all kinds of card games. He's looking forward to getting to know the incredible students and staff at HCP.

We hope your family has an amazing summer, and look forward to seeing you in August for the first day of school!

RUGBY

The girls started the season with 2 games in a row against powerhouse 4A programs. Our ladies were defeated but battled hard right till the end in both. Next game was against another 4A school; Chinook, with our girls coming out on top just before the Easter Break.

The team lost a little momentum with that break losing to Winston Churchill in another hard fought match. Our team beat Catholic Central and then were off to Red Deer for our annual tournament there. We lost a heartbreaker on a last minute controversial play. We won our next game in a ground and pound match that had about 40 scrums. Skip ahead to zones, they did not go as we had hoped. We got down early by a few scores, and even with a few herculean performances, it wasn't enough for the complete comeback. The girls then went on a fun run at Provincials, winning their first two games playing for provincial gold!! The girls lost the finals to Winston Churchill, but played hard till the end. Our team is a very young team, only graduating 2 players this year. We have been able to beat much more experienced teams, while learning valuable lessons along the way.

**SILVER MEDALISTS
W.R. MYERS REBELS**

GOODBYE TO ...

Pam Manser & Lana Hansen are retiring!! They will both be missed & we wish them the best for the future!!

Eliza Larson has been here for 2 months working as an EA and has been awesome & will be missed!

Harkirat Singh has been an invaluable member of our staff this past year & we wish her all the best for the future!

Quintina Halladay & Breanna Furlanich are on Maternity leave. We wish them all the best with their little bundles over the next view months!!

WELCOME TO NEW STAFF

My name is Haley Cunningham, and I'm excited to be joining the W.R. Myers team in the upcoming school year! I grew up in a small, rural community in Northern Alberta until I moved south to attend the University of Lethbridge. I now live in Taber with my husband, Adam, our dog, Yogi, and our cat, Nami. For the past four years, I have taught Math, Chemistry, and Physics at Warner School. When I'm not in the classroom, I enjoy weightlifting, running, fishing, gardening, hiking, and cross-stitching. I can't wait to become a part of the W.R. Myers community and get to know its amazing students, staff, and families.

My name is Jordyn Maynes, and I'm thrilled to be joining the W.R. Myers team as a new teacher this fall. I graduated in December 2023 and am a proud mom of five boys – when I'm not teaching, you'll likely find me running, listening to audiobooks, or cheering at the rink. I have a deep love for literature and history, and I'm so grateful for the opportunity to learn and grow alongside your kids!

Cont ...

Hello! My name is Carson Rafuse. I am super excited to be starting my first year of teaching with HCP! I just graduated last spring from the University of Lethbridge with my BFA in Drama and B.Ed, and couldn't be happier to be teaching English this year! Outside of the classroom, I love working on plays, being outside, and playing games of every kind! I can't wait to get to know all of the incredible students and staff here!

Hi! My name is Shelby Asmundson-Hall and I am the new Wellness Coach for DA Ferguson and WR Myers! For the past 1.5 years I was the Child and Youthcare Worker based out of Lomond and Vauxhall; catering to the elementary school, high school, and the Mennonite Alternative Program, but I felt I wanted to connect with students and families in a larger capacity and focus more on prevention.

I have been in the human services field for going on 10 years, working primarily with youth ages 0-24. I obtained my Social Work Diploma in 2020 from Red Deer College and now practice as a Registered Social Worker, as well as I hold my Level 2 Certificate in Early Childhood Education. Through working in your school, I hope to create a sense of community that is welcoming and inclusive, and to be a positive role model and educator for the youth of our future, while consistently highlighting positive mental health and wellbeing.

In my free time, you can find me doing anything horse related, camping and dirt biking or adventuring with my boyfriend and our two dogs!

Travel Club

The Travel club has their next trip to Greece in April 2026!! The deadline to register & pay is not till December so if you're interested, please click this link to see the itinerary and information!!

Greece Travel Club Trip

Please contact Lori Pickerell, Melissa Planger or Quintin Cheverie if you have any questions.

Music scholarship

Taber Kiwanis Club Bruce Milliken Community Music Scholarship

This award seeks to assist a deserving music student from W.R. Myers School. In honor of the awards namesake, Bruce Milliken, the student should be using their musical skills to enrich the community of the Taber area.

Candidates must submit a letter by email to Andrea Makarchuk (andrea.makarchuk@horizon.ab.ca) by July 31, 2025. The application must show how they utilized their musical talents through active volunteer community service through their high school career (Grades 9–12)

Submissions must list the following::

Describe your music community service activities.

Describe your community service activities.

Describe your music background, training, both in and out of school.

This is an annual \$500 scholarship available to graduating students from W.R. Myers School. The award will be presented at our Awards Night in the fall of 2025. If there are not any qualified candidates, the scholarship will not be awarded for that year.

Career planning

Post-Secondary Applications Planning

Are you entering your Grade 12 year? Get to know post-secondary options over the summer! Many of the colleges, polytechnics and universities open their application system in the early fall (for example, October 1st), and many programs are FQFA (first qualified, first admitted), while others may be competitive (based on averages and course selection) or in high-demand (limited seats/wait listing). It's important to know what your program(s) of interest are so you can be prepared to apply to your top 3-5 post-secondary options accordingly.

"Student for a Day" - Explore your Options in 2025-2026

Did you know that you can apply for a Student for a Day experience at post-secondary institutions? Locally, Medicine Hat College, Lethbridge Polytechnic, and the University of Lethbridge offer Student for a Day opportunities for high school students who are exploring options and would like to get a feel for what campus study and life is like. Students would be paired up with a learner from the institution of choice, attend classes with them, and often - the college or university provides lunch for you (free of charge!). If you are able to travel for another experience, you can look up Student for a Day on any post-secondary site and try them, too.

Please note: Student for a Day experiences are based on availability of host learners and their active class schedules, and application forms are only open when they are accepting requests. Alternatively, you can request a campus tour and program inquiry with any Admissions Team, too.

**Medicine Hat College - Student for a Day
Lethbridge Polytechnic - Student for a Day
University of Lethbridge - Student for a Day**

Applying for Student Loans

The Alberta Student Loans Portal is now open for applications. If you are planning on attending post-secondary in Fall 2025, and you are wanting to utilize student loans, it's recommended that you apply for student loans 60 days prior to your program start date. Average approval time is 30 days, however, the longer you wait to apply and the closer you approach your program start date, the longer the wait becomes for processing applications.

Note: You only have to submit one application to be considered for loans and grants from both Alberta's government and Canada's government.

Scholarships to Consider

**Alexander Rutherford Scholarship – applications open late summer
(apprenticeship students may also apply)**

Applicants who apply for the Alexander Rutherford Scholarship will also be automatically considered for 3 additional scholarships (no additional application is required) including: Rutherford Scholar Award, Dr. Ernest and Minnie Mehl Scholarship, & Mildred Rowe Weston Memorial Scholarship.

If you have already received a conditional or official acceptance letter, you should apply to your post-secondary institution's Awards Portal (through your student login). Most post-secondary institutions offer some form of awards portal or scholarship opportunity, so check your student login for your college, university or polytechnic. One application is normally required which broadcasts to all available scholarships in their system. If you are matched, you will be notified through your student portal to take the next steps in completing any additional application requirements specific to the scholarship(s) you have been matched to.

Scholarships may also be available locally to you through municipal government, clubs and community organizations, a parent's employer, or other.

Some examples are:

Taber Kinsmen – deadline June 30

2025 Elmer and Ona Hansen Memorial Fund Scholarship – deadline July 2

Rural Municipalities of Alberta – deadline August 29

Taber & District Health Foundation – deadline August 31

MD of Taber – deadline August 31

Cont.

TABER POLICE SERVICE & ASSOCIATION SCHOLARSHIP

This scholarship is to award one student a year who demonstrates two of our values and community service with a **\$500⁰⁰** cash award to assist with tuition or costs associated to post-secondary education in a criminal justice program in Alberta.

CRITERIA SUMMARY:

- ✓ Extended application deadline: **June 30, 2025**
- ✓ Applicant must be a Town of Taber resident
- ✓ Program of study must be related to Criminal Justice at an Alberta post-secondary institution

TO APPLY:

REQUEST A COPY OF THE APPLICATION:

Pre-Med Club - returning in the 2025-2026 school year!

For those of you new to our Pre-Med Club, it's an opportunity for high school students and young adults in our southern rural communities to meet local medical & healthcare professionals who are passionate about sharing their educational journeys and experiences through presentations, Q&A's, hands-on activities and events, and tours of facilities during scheduled club meeting events throughout the school year. Our Pre-Med Club initiative is a joint career exploration partnership between Horizon School Division & Coulee Medical Clinic, with support from other local healthcare professionals and facilities. Watch for our 1st meeting of the school year to be announced in Fall 2025!

Myers Mixer Day

Thursday, August 21, 2025

10:30 am – 12:15 pm

Being part of a school community is an essential aspect of all high school experiences. At Myers, we believe the overall well-being and sense of community within our school is a fundamental principle. During **Myers Mixer Day** we hope to provide a positive experience for new students.

All new students are invited to participate in a fun activity morning where they will have an opportunity to get to know new people, learn “insider” information about the school such as the vicinity of lockers and classrooms, introductions to staff, and opportunities that they can be involved in throughout the school year. We will complete our session with a question period and a pizza lunch.

Please register your student via email to:
nicole.cooney@horizon.ab.ca by August 20, 2025.

**We will have your class schedule and locker information
at the event!**

We look forward to seeing you there!
